Greetings, Ms Thomason.

Thank you for your reply to our request of April 24 (attached for reference) regarding

... land leases offered and/or executed by the Pickens County Airport Authority in 2023 and/or 2024 inclusive as well as particular to Keith Sievers, Johnny R Ray, and/or William Keith Henrey at any time pertaining to that unit formerly known as L-8 and more currently known as H-5 or H-05 and identified as tax parcel 041 030 010

in which we were provided only an

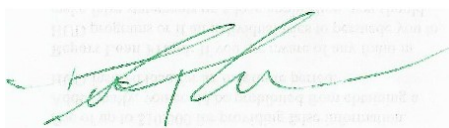

ASSIGNMENT OF LEASE WITH CONSENT OF LANDLORD

apparently effective early this year. We are quite confident that both Flaps Up, LLC and Richard Buice and/or RB Aviation Services should have executed leases within the past year or so, and one certainly hopes that Mr. Sievers or Mr. Ray had a lease prior to selling the hangar to Mr. Henrey quite a few years ago.

We look forward to receiving the additional records covered by our request. If you find that there are indeed no further records to provide in response, please respond such in writing so that we may consider the search exhausted and the matter closed.

Again, please do not hesitate to contact us as above should you have any questions or require any clarification.

Yours sincerely,

David Thorburn-Gundlach
